

THE BRIGHT STARS OF KINDERGARTEN

Hello, I'm,
I'm a star shining bright.
During all my school lessons,
You could see me sit tight,
You could see me follow all class
rules,
And listen to my teacher;
Do all my morning routines,
And be a happy little reader.
Literacy and numeracy,
I learned very well;
But you could see me most excited
During show and tell.
I mastered early learning,
Now, I get a break from school,
But I'll continue to grow still,
And be a star - bright and cool!

Good job, Kindies!
We are so proud of you
for completing the school year!
